If the Purchasing Officer determines that your grounds are insufficient, the City will notify you of that decision in writing.
 - vi. The protest hearing is informal and is not subject to the Open Meetings Act. The purpose of the hearing is to give you a chance to present your case, it is not an adversarial proceeding. Those who may attend from the City are: representatives from the department that requested the

- viii. The City will send you a copy of the hearing decision after the appropriate City staff has reviewed the decision.
- ix. When a protest is filed, the City usually will not make an award until a decision on the protest is made. However, the City will not delay an award if the City Manager or the Purchasing Officer determines that:

27. **TERMINATION FOR CAUSE**: In the event of a default by the Contractor, the City shall have the right to terminate the Contract for cause, by written notice effective ten (10) calendar days, unless otherwise specified, after the date of such notice, unless the Contractor, within such ten (10) day period, cures such default, or provides evidence sufficient to prove to the City's reasonable satisfaction that such default does not, in fact, exist. If such delay causes an increase in the cost of the work under the Contract, the City and the Contractor shall negotiate an equitable adjustment for costs incurred by the Contractor in the Contract price and execute an amendment to the Contract. The Contractor must assert its right to an adjustment within thirty (30) calendar days from the date of receipt of the notice of delay. Failure to agree on any adjusted price shall be handled under the Dispute Resolution process specified in paragraph 48. However, nothing in this provision shall excuse the Contractor from delaying the delivery as notified.
- B. Neither party shall be liable for any default or delay in the performance of its obligations under this Contract if, while and to the extent such default or delay is caused by acts of God, fire, riots, civil commotion, labor disruptions, sabotage, sovereign conduct, or any other cause beyond the reasonable control of such Party. In the event of default or delay in contract performance due to any of the foregoing causes, then the time for completion of the services will be extended; provided, however, in such an event, a conference will be held within three (3) business days to establish a mutually agreeable period of time reasonably necessary to overcome the effect of such failure to perform.

Determination of the public nature of the material is subject to the Texas Public Information Act, Chapter 552, Texas Government Code.
36. **NO WARRANTY BY CITY AGAINST INFRINGEMENTS:** The Contractor represents and warrants to the City that: (i) the Contractor shall provide the City good and indefeasible title to the Deliverables and (ii) the Deliverables supplied by the Contractor in accordance with the specifications in the Contract will not infringe, directly or contributorily, any patent, trademark, copyright, trade secret, or any other intellectual property right of any kind of any third party; that no claims have been made by any person or entity with respect to the ownership or operation of the Deliverables and the Contractor does not know of any valid basis for any such claims. Further, Contractor agrees that the City's specifications regarding the Deliverables shall in no way diminish Contractor's warranties or obligations under this paragraph and the City makes no warranty that the production, development, or delivery of such Deliverables will not impact such warranties of Contractor.
37. **CONFIDENTIALITY:** In order to provide the Deliverables to the City, Contractor may require access to certain of the City's and/or its licensors' confidential information (including inventions, employee information, trade secrets, confidential know-how, confidential business information, and other information which the City or its licensors consider confidential) (collectively, "Confidential Information"). The Contractor (including its employees, subcontractors, agents, or representatives) agrees that it will maintain the Confidential Information in strict confidence and shall not disclose, disseminate, copy, divulge, recreate, or otherwise use the Confidential Information without the prior written consent of the City or in a manner not expressly permitted under this Agreement, unless the Confidential Information is required to be disclosed by law or an order of any court or other governmental authority with proper jurisdiction, provided the Contractor promptly notifies the City before disclosing such information so as to permit the City reasonable time to seek an appropriate protective order. 40. **NO CONTINGENT FEES**: The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure the Contract upon any agreement or understanding for commission, percentage, brokerage, or contingent fee, excepting bona fide employees of bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the City shall have the right, in addition to any other remedy available, to cancel the Contract without liability and to deduct from any amounts owed to the Contractor, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.
41. **GRATUITIES**: The City may, by written notice to the Contractor, cancel the Contract without liability if it is determined by the City that gratuities were offered or given by the Contractor or any agent or representative of the Contractor to any officer or employee of the City of Austin with a view toward securing the Contract or securing favorable treatment with respect to the awarding or amending or the making of any determinations with respect to the performing of such contract. In the event the Contract is canceled by the City pursuant to this provision, the City shall be entitled, in addition to any other rights and remedies, to recover or withhold the amount of the cost incurred by the Contractor in providing such gratuities.
42. **PROHIBITION AGAINST PERSONAL INTEREST IN CONTRACTS**: No officer, employee, independent consultant, or elected official of the City who is involved in the development, evaluation, or decision-making process of the performance of any solicitation shall have a financial interest, direct or indirect, in the Contract resulting from that solicitation. Any willful violation of this section shall constitute impropriety in office, and any officer or employee guilty thereof shall be subject to disciplinary action up to and including dismissal. Any violation of this provision, with the knowledge, expressed or implied, of the Contractor shall render the Contract voidable by the City.
43. **INDEPENDENT CONTRACTOR**: The Contract shall not be construed as creating an employer/employee relationship, a partnership, or a joint venture. The Contractor's services shall be those of an independent contractor. The Contractor agrees and understands that the Contract does not grant any rights or privileges established for employees of the City.
44. **ASSIGNMENT-DELEGATION**: The Contract shall be binding upon and enure to the benefit of the City and the Contractor and their respective successors and assigns, provided however, that no right or interest in the Contract shall be assigned and no obligation shall be delegated by the Contractor without the prior written consent of the City. 45. **WAIVER**: No claim or right arising out of a breach of the Contract can be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by consideration and is in writing signed by the aggrieved party. No waiver by either the Contractor or the City of any one or more events of default by the other party shall operate as, or be construed to be, a permanent waiver of any rights or obligations under the Contract, or an express or implied acceptance of any other existing or future default or defaults, whether of a similar or different character.
46. **MODIFICATIONS**: The Contract can be modified or amended only by a writing signed by both parties. No pre-printed or similar terms on any the Contractor invoice, order or other document shall have any force or effect to change the terms, covenants, and conditions of the Contract.

47. **INTERPRETATION:** The Contract is intended by the parties as a final, complete and exclusive statement of the terms of their agreement. No course of prior dealing between the parties or course of performance or usage of the trade shall be relevant to supplement or explain any term used in the Contract. Although the Contract may have been substantially drafted by one party, it is the intent of the parties that all provisions be construed in a manner to be fair to both parties, reading no provisions more strictly against one party or the other. Whenever a term defined by the Uniform Commercial Code, as enacted by the State of Texas, is used in the Contract, the UCC definition shall control, unless otherwise defined in the Contract.
48. **DISPUTE RESOLUTION:**
- A. If a dispute arises out of or relates to the Contract, or the breach thereof, the parties agree to negotiate prior to prosecuting a suit for damages. However, this section does not prohibit the filing of a lawsuit to toll the running of a statute of limitations or to seek injunctive relief. Either party may make a written request for a meeting between representatives of each party within fourteen (14) calendar days after receipt of the request or such later period as agreed by the parties. Each party shall include, at a minimum, one (1) senior level individual with decision-making authority regarding the dispute. The purpose of this and any subsequent meeting is to attempt in good faith to negotiate a resolution of the dispute. If, within thirty (30) calendar days after such meeting, the parties have not succeeded in negotiating a resolution of the dispute, they will proceed directly to mediation as described below. Negotiation may be waived by a written agreement signed by both parties, in which event the parties may proceed directly to mediation as described below.
- B. If the efforts to resolve the dispute through negotiation fail, or the parties waive the negotiation process, the parties may select, within thirty (30) calendar days, a mediator trained in mediation skills to assist with resolution of the dispute. Should they choose this option, the City and the Contractor agree to act in good faith in the selection of the mediator and to give consideration to qualified individuals nominated to act as mediator. Nothing in the Contract prevents the parties from relying on the skills of a person who is trained in the subject matter of the dispute or a contract interpretation expert. If the parties fail to agree on a mediator within thirty (30) calendar days of initiation of the mediation process, the mediator shall be selected by the Travis County Dispute Resolution Center (DRC). The parties agree to participate in mediation in good faith for up to thirty (30) calendar days from the date of the first mediation session. The City and the Contractor will share the mediator's fees equally and the parties will bear their own costs of participation such as fees for any consultants or attorneys they may utilize to represent them or otherwise assist them in the mediation.

All issues arising from this Contract shall be resolved in the courts of Travis County, Texas and the parties agree to submit to the exclusive personal jurisdiction of such courts. The foregoing, however, shall not be construed or interpreted to limit or restrict the right or ability of the City to seek and secure injunctive relief from any competent authority as contemplated herein.
50. **INVALIDITY:** The invalidity, illegality, or unenforceability of any provision of the Contract shall in no way affect the validity or enforceability of any other portion or provision of the Contract. Any void provision shall be deemed severed from the Contract and the balance of the Contract shall be construed and enforced as if the Contract did not contain the particular portion or provision held to be void. The parties further agree to reform the Contract to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision. - (5) To obtain a written statement from any labor union or labor organization furnishing labor or service to Contractors in which said union or organization has agreed not to engage in any discriminatory employment practices as defined in this chapter and to take affirmative action to implement policies and provisions of this chapter.
- (6) To cooperate fully with City and the Equal Employment/Fair Housing Office in connection with any investigation or conciliation effort of the Equal Employment/Fair Housing Office to ensure that the purpose of the provisions against discriminatory employment practices are being carried out.

For the purposes of this Offer and any resulting Contract, Contractor adopts the provisions of the City's Minimum Standard Non-Discrimination and Non-Retaliation Policy set forth below.

City of Austin

Minimum Standard Non-Discrimination and Non-Retaliation in Employment Policy

As an Equal Employment Opportunity (EEO) employer, the Contractor will conduct its personnel activities in accordance with established federal, state and local EEO laws and regulations.

The Contractor will not discriminate against any applicant or employee based on race, creed, color, national origin, sex, age, religion, veteran status, gender identity, disability, or sexual orientation. This policy covers all aspects of employment,

including hiring, placement, upgrading, transfer, demotion, recruitment, recruitment advertising, selection for training and apprenticeship, rates of pay or other forms of compensation, and layoff or termination.

The Contractor agrees to prohibit retaliation, discharge or otherwise discrimination against any employee or applicant for employment who has inquired about, discussed or disclosed their compensation.

Further, employees who experience discrimination, sexual harassment, or another form of harassment should immediately report it to their supervisor. If this is not a suitable avenue for addressing their complaint, employees are advised to contact another member of management or their human resources representative. No employee shall be discriminated against, harassed, intimidated, nor suffer any reprisal as a result of reporting a violation of this policy. Furthermore, any employee, supervisor, or manager who becomes aware of any such discrimination or harassment should immediately report it to executive management or the human resources office to ensure that such conduct does not continue.

Definitions: For purposes of these Terms and Conditions, the "Department" is also known as the "State" and the "prospective primary participant" and the "Subgrantee" is also known as the "Subrecipient" and "prospective lower tier participant"

ARTICLE 1. COMPLIANCE WITH LAWS

The Subgrantee shall comply with all federal, state, and local laws, statutes, codes, ordinances, rules and regulations, and the orders and decrees of any courts or administrative bodies or tribunals in any matter affecting the performance of this agreement, including, without limitation, workers' compensation laws, minimum and maximum salary and wage statutes and regulations, nondiscrimination laws and regulations, and licensing laws and regulations. When required, the Subgrantee shall furnish the Department with satisfactory proof of compliance.

ARTICLE 2. STANDARD ASSURANCES

The Subgrantee assures and certifies that it will comply with the regulations, policies, guidelines, and requirements, including 2 CFR, Part 200; and the Department's Traffic Safety Program Manual, as they relate to the application, acceptance, and use of federal or state funds for this project. Also, the Subgrantee assures and certifies that:

A. It possesses legal authority to apply for the grant; and that a resolution, motion, or similar action has been duly adopted or passed as an official act of the applicant's governing body, authorizing the filing of the application, including all understandings and assurances contained in the application, and directing and authorizing the person identified as the official representative of the applicant to act in connection with the application and to provide any additional information that may be required.

B. It and its subcontractors will comply with Title VI of the Civil Rights Act of 1964 (Public Law 88-352), as amended, and in accordance with that Act, no person shall discriminate, on the grounds of race, color, sex, national origin, age, religion, or disability.

C. It will comply with requirements of the provisions of the Uniform Relocation Assistance and Real Property Acquisitions Act of 1970, as amended; 42 USC (United States Code) §§4601 et seq.; and United States Department of Transportation (USDOT) regulations, "Uniform Relocation and Real Property Acquisition for Federal and Federally Assisted Programs," 49 CFR, Part 24, which provide for fair and equitable treatment of persons displaced as a result of federal and federally assisted programs.

D. Political activity (Hatch Act) (applies to subrecipients as well as States). The State will comply with provisions of the Hatch Act (5 U.S.C. 1501-1508) which limits the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.

E. It will comply with the federal Fair Labor Standards Act's minimum wage and overtime requirements for employees performing project work.

F. It will establish safeguards to prohibit employees from using their positions for a purpose that is or gives the appearance of being motivated by a desire for private gain for themselves or others, particularly those with whom they have family, business, or other ties.

G. It will give the Department the access to and the right to examine all records, books, papers, or documents related to this Grant Agreement.

H. It will comply with all requirements imposed by the Department concerning special requirements of law, program requirements, and other administrative requirements.

I. It recognizes that many federal and state laws imposing environmental and resource conservation requirements may apply to this Grant Agreement. Some, but not all, of the major federal laws that may affect the project include: the National Environmental Policy Act of 1969, as amended, 42 USC §§4321 et seq.; the Clean Air Act, as amended, 42 USC §§7401 et seq. and sections of 29 USC; the Federal Water Pollution Control Act, as amended, 33 USC §§1251 et seq.; the Resource Conservation and Recovery Act, as amended, 42 USC §§6901 et seq.; and the Comprehensive Environmental Response, Compensation, and Liability Act, as amended, 42 USC §§9601 et seq. 4. The maximum amount eligible for reimbursement shall not be increased above the Grand Total TxDOT Amount in the approved Project Budget, unless this Grant Agreement is amended, as described in Article 5 of this agreement.

5. For Selective Traffic Enforcement Program (STEP) grants only: In the Project Budget, Subgrantees are not allowed to use underrun funds from the TxDOT amount of (100) Salaries, Subcategories A, "Enforcement," or B, "PI&E Activities," to exceed the TxDOT amount listed in Subcategory C, "Other." Also, Subgrantees are not allowed to use underrun funds from the TxDOT amount of (100) Salaries, Subcategories A, "Enforcement," or C, "Other," to exceed the TxDOT amount listed in Subcategory B, "PI&E Activities." The TxDOT amount for Subcategory B, "PI&E Activities," or C, "Other," can only be exceeded within the five (5) percent flexibility, with underrun funds from Budget Categories II or III.

C. To be eligible for reimbursement under this agreement, a cost must be incurred in accordance with the Project Budget, within the time frame specified in the Grant Period of this Grant Agreement, attributable to work covered by this agreement, and which has been completed in a manner satisfactory and acceptable to the Department.

D. Federal or TxDOT funds cannot supplant (replace) funds from any other sources. The term "supplanting," refers to the use of federal or TxDOT funds to support personnel or an activity already supported by local or state funds.

E. Payment of costs incurred under this agreement is further governed by the cost principles outlined in 2 CFR Part 200.

F. The Subgrantee agrees to submit monthly Requests for Reimbursement, as designated in this Grant Agreement, within thirty (30) days after the end of the billing period. The Request for Reimbursement and appropriate supporting documentation must be submitted through eGrants.

G. The Subgrantee agrees to submit the final Request for Reimbursement under this agreement within forty-five (45) days of the end of the grant period.

H. Payments are contingent upon the availability of appropriated funds.

I. Project agreements supported with federal or TxDOT funds are limited to the length of this Grant Period specified in this Grant Agreement. If the Department determines that the project has demonstrated merit or has potential long-range benefits, the Subgrantee may apply for funding assistance beyond the initial agreement period.

Preference for funding will be given to projects based on (1) proposed cost sharing and (2) demonstrated performance history.

ARTICLE 4. LIMITATION OF LIABILITY

Payment of costs incurred under this agreement is contingent upon the availability of funds. If at any time during this Grant Period, the Department determines that there is insufficient funding to continue the project, the Department shall notify the Subgrantee, giving notice of intent to terminate this agreement, as specified in Article 11 of this agreement. If at the end of a federal fiscal year, the Department determines that there is sufficient funding and performance to continue the project, the Department may notify the Subgrantee to continue this agreement.

ARTICLE 5. AMENDMENTS

This agreement may be amended prior to its expiration by mutual written consent of both parties, utilizing the Grant Agreement Amendment in eGrants. Any amendment must be executed by the parties within the Grant Period, as specified in this Grant Agreement.

ARTICLE 6. ADDITIONAL WORK AND CHANGES IN WORK

A. If the Subgrantee is of the opinion that any assigned work is beyond the scope of this agreement and constitutes additional work, the Subgrantee shall promptly notify the Department in writing through eGrants. If the Department finds that such work does constitute additional work, the Department shall advise the Subgrantee and a written amendment to this agreement will be executed according to Article 5, Amendments, to provide compensation for doing this work on the same basis as the original work. If performance of the additional work will cause the maximum amount payable to be exceeded, the work will not be performed before a written grant amendment is executed.

B. If the Subgrantee has submitted work in accordance with the terms of this agreement but the Department requests changes to the completed work or parts of the work which involve changes to the original scope of services or character of work under this agreement, the Subgrantee shall make those revisions as requested and directed by the Department. This will be considered as additional work and will be paid for as specified in this Article.

C. If the Subgrantee submits work that does not comply with the terms of this agreement, the Department shall instruct the Subgrantee to make any revisions that are necessary to bring the work into compliance with this agreement. No additional compensation shall be paid for this work.

D. The Subgrantee shall make revisions to the work authorized in this agreement that are necessary to correct errors or omissions, when required to do so by the Department. No additional compensation shall be paid for this work.

E. The Department shall not be responsible for actions by the Subgrantee or any costs incurred by the Subgrantee relating to additional work not directly associated with or prior to the execution of an amendment.

ARTICLE 7. REPORTING AND MONITORING

A. Not later than thirty (30) days after the end of each reporting period, the Subgrantee shall submit a performance report through eGrants. Reporting periods vary by project duration and are defined as follows:

1. For short term projects, the reporting period is the duration of the project. Subgrantee shall submit a performance report within 30 days of project completion.

2. For longer projects, the reporting period is monthly. Subgrantee shall submit a performance report within 30 days of the completion of each project month and within 30 days of project completion.

3. For Selective Traffic Enforcement Program (STEP) Wave projects, the reporting period is each billing cycle. Subgrantee shall submit a performance report within 30 days of the completion of each billing cycle.

B. The performance report will include, as a minimum: (1) a comparison of actual accomplishments to the objectives established for the period, (2) reasons why established objectives and performance measures were not met, if appropriate, and (3) other pertinent information, including, when appropriate, an analysis and explanation of cost underruns, overruns, or high unit costs.

C. The Subgrantee shall promptly advise the Department in writing, through eGrants, of events that will have a significant impact upon this agreement, including:

1. Problems, delays, or adverse conditions, including a change of project director or other changes in Subgrantee personnel, that will materially affect the ability to attain objectives and performance measures, prevent the meeting of time schedules and objectives, or preclude the attainment of project objectives or performance measures by the established time periods. This disclosure shall be accompanied by a statement of the action taken or contemplated and any Department or federal assistance needed to resolve the situation.

2. Favorable developments or events that enable meeting time schedules and objectives sooner than anticipated or achieving greater performance measure output than originally projected.

D. The Subgrantee shall submit the Final Performance Report through eGrants within thirty (30) days after completion of the grant.

ARTICLE 8. RECORDS

The Subgrantee agrees to maintain all reports, documents, papers, accounting records, books, and other evidence pertaining to costs incurred and work performed under this agreement (called the "Records"), and shall make the Records available at its office for the time period authorized within the Grant Period, as specified in this Grant Agreement. The Subgrantee further agrees to retain the Records for four (4) years from the date of final payment under this agreement, until completion of all audits, or until pending litigation has been completely and fully resolved, whichever occurs last.

Duly authorized representatives of the Department, the USDOT, the Office of the Inspector General, Texas State Auditor, and the Comptroller General shall have access to the Records. This right of access is not limited to the four (4) year period but shall last as long as the Records are retained.

ARTICLE 9. INDEMNIFICATION

A. To the extent permitted by law, the Subgrantee, if other than a government entity, shall indemnify, hold, and save harmless the Department and its officers and employees from all claims and liability due to the acts or omissions of the Subgrantee, its agents, or employees. The Subgrantee also agrees, to the extent permitted by law, to indemnify, hold, and save harmless the Department from any and all expenses, including but not limited to attorney fees, all court costs and awards for damages incurred by the Department in litigation or otherwise resisting claims or liabilities as a result of any activities of the Subgrantee, its agents, or employees.

B. To the extent permitted by law, the Subgrantee, if other than a government entity, agrees to protect, indemnify, and save harmless the Department from and against all claims, demands, and causes of action of every kind and character brought by any employee of the Subgrantee against the Department due to personal injuries to or death of any employee resulting from any alleged negligent act, by either commission or omission on the part of the Subgrantee.

C. If the Subgrantee is a government entity, both parties to this agreement agree that no party is an agent, servant, or employee of the other party and each party agrees it is responsible for its individual acts and deeds, as well as the acts and deeds of its contractors, employees, representatives, and agents.

ARTICLE 10. DISPUTES AND REMEDIES

This agreement supersedes any prior oral or written agreements. If a conflict arises between this agreement and the Traffic Safety Program Manual, this agreement shall govern. The Subgrantee shall be responsible for the settlement of all contractual and administrative issues arising out of procurement made by the Subgrantee in support of work under this agreement. Disputes concerning performance or payment shall be submitted to the Department for settlement, with the Executive Director or his or her designee acting as final referee.

ARTICLE 11. TERMINATION

A. This agreement shall remain in effect until the Subgrantee has satisfactorily completed all services and obligations described in this agreement and these have been accepted by the Department, unless:

1. This agreement is terminated in writing with the mutual consent of both parties; or
2. There is a written thirty (30) day notice by either party; or
3. The Department determines that the performance of the project is not in the best interest of the Department and informs the Subgrantee that the project is terminated immediately.

B. The Department shall compensate the Subgrantee for only those eligible expenses incurred during the Grant Period specified in this Grant Agreement that are directly attributable to the completed portion of the work covered by this agreement, provided that the work has been completed in a manner satisfactory and acceptable to the Department. The Subgrantee shall not incur nor be reimbursed for any new obligations after the effective date of termination.

ARTICLE 12. INSPECTION OF WORK

A. The Department and, when federal funds are involved, the USDOT, or any of their authorized representatives, have the right at all reasonable times to inspect or otherwise evaluate the work performed or being performed under this agreement and the premises in which it is being performed.

B. If any inspection or evaluation is made on the premises of the Subgrantee or its subcontractor, the Subgrantee shall provide and require its subcontractor to provide all reasonable facilities and assistance for the safety and convenience of the inspectors in the performance of their duties. All inspections and evaluations shall be performed in a manner that will not unduly delay the work.

ARTICLE 13. AUDIT

The state auditor may conduct an audit or investigation of any entity receiving funds from the state directly under this agreement or indirectly through a subcontract under this agreement. Acceptance of funds directly under this agreement or indirectly through a subcontract under this agreement acts as acceptance of the authority of the State Auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. An entity that is the subject of an audit or investigation must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit.

ARTICLE 14. SUBCONTRACTS

A subcontract in excess of \$25,000 may not be executed by the Subgrantee without prior written concurrence by the Department. Subcontracts in excess of \$25,000 shall contain all applicable terms and conditions of this agreement. No subcontract will relieve the Subgrantee of its responsibility under this agreement.

ARTICLE 15. GRATUITIES

A. Texas Transportation Commission policy mandates that employees of the Department shall not accept any benefit, gift, or favor from any person doing business with or who, reasonably speaking, may do business with the Department under this agreement. The only exceptions allowed are ordinary business lunches and items that have received the advanced written approval of the Department's Executive Director.

B. Any person doing business with or who reasonably speaking may do business with the Department under this agreement may not make any offer of benefits, gifts, or favors to Department employees, except as mentioned here above. Failure on the part of the Subgrantee to adhere to this policy may result in termination of this agreement.

ARTICLE 16. NONCOLLUSION

The Subgrantee warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the Subgrantee, to solicit or secure this agreement, and that it has not paid or agreed to pay any company or person, other than a bona fide employee, any fee, commission, percentage, brokerage fee, gift, or any other consideration contingent upon or resulting from the award or making of this agreement. If the Subgrantee breaches or violates this warranty, the Department shall have the right to annul this agreement without liability or, in its discretion, to deduct from the agreement price or consideration, or otherwise recover the full amount of such fee, commission, brokerage fee, contingent fee, or gift.

ARTICLE 17. CONFLICT OF INTEREST

The Subgrantee represents that it or its employees have no conflict of interest that would in any way interfere with its or its employees' performance or which in any way conflicts with the interests of the Department. The Subgrantee shall exercise reasonable care and diligence to prevent any actions or conditions that could result in a conflict with the Department's interests.

ARTICLE 18. SUBGRANTEE'S RESOURCES

A. The Subgrantee certifies that it presently has adequate qualified personnel in its employment to perform the work required under this agreement, or will be able to obtain such personnel from sources other than the Department.

B. All employees of the Subgrantee shall have the knowledge and experience that will enable them to perform the duties assigned to them. Any employee of the Subgrantee who, in the opinion of the Department, is incompetent or whose conduct becomes detrimental to the work, shall immediately be removed from association with the project.

C. Unless otherwise specified, the Subgrantee shall furnish all equipment, materials, supplies, and other resources required to perform the work.

ARTICLE 19. PROCUREMENT AND PROPERTY MANAGEMENT

The Subgrantee shall establish and administer a system to procure, control, protect, preserve, use, maintain, and dispose of any property furnished to it by the Department or purchased pursuant to this agreement in accordance with its own procurement and property management procedures, provided that the procedures are not in conflict with (1) the Department's procurement and property management standards and (2) the federal procurement and property management standards provided by 2 CFR §§ 200.310-.316, 200.318-.324.

ARTICLE 20. OWNERSHIP OF DOCUMENTS AND INTELLECTUAL PROPERTY

Upon completion or termination of this Grant Agreement, whether for cause or at the convenience of the parties, all finished or unfinished documents, data, studies, surveys, reports, maps, drawings, models, photographs, etc. prepared by the Subgrantee, and equipment and supplies purchased with grant funds shall, at the option of the Department, become the property of the Department. All sketches, photographs, calculations, and other data prepared under this agreement shall be made available, upon request, to the Department without restriction or limitation of their further use.

A. Intellectual property consists of copyrights, patents, and any other form of intellectual property rights covering any databases, software, inventions, training manuals, systems design, or other proprietary information in any form or medium.

B. All rights to Department. The Department shall own all of the rights (including copyrights, copyright applications, copyright renewals, and copyright extensions), title and interests in and to all data, and other information developed under this contract and versions thereof unless otherwise agreed to in writing that there will be joint ownership.

C. All rights to Subgrantee. Classes and materials initially developed by the Subgrantee without any type of funding or resource assistance from the Department remain the Subgrantee's intellectual property. For these classes and materials, the Department payment is limited to payment for attendance at classes.

ARTICLE 21. SUCCESSORS AND ASSIGNS

The Department and the Subgrantee each binds itself, its successors, executors, assigns, and administrators to the other party to this agreement and to the successors, executors, assigns, and administrators of the other party in respect to all covenants of this agreement. c. To permit access to its books, records, accounts, other sources of information, and its facilities as required by the State highway safety office, US DOT or NHTSA;

d. That, in event a contractor/funding recipient fails to comply with any nondiscrimination provisions in this contract/funding agreement, the State highway safety agency will have the right to impose such contract/agreement sanctions as it or NHTSA determine are appropriate, including but not limited to withholding payments to the contractor/funding recipient under the contract/agreement until the contractor/funding recipient complies; and/or cancelling, terminating, or suspending a contract or funding agreement, in whole or in part; and

D. Information and reports: The Subgrantee shall provide all information and reports required by the Regulations, or directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Department or the USDOT to be pertinent to ascertain compliance with the Regulations or directives. The Subgrantee shall take all necessary and reasonable steps under 49 CFR Part 26 to ensure non-discrimination in award and administration of USDOT-assisted contracts. The Department's DBE program, as required by 49 CFR Part 26 and as approved by USDOT, is incorporated by reference in this agreement. Implementation of this program is a legal obligation and failure to carry out its terms shall be treated as a violation of this agreement. Upon notification to the Subgrantee of its failure to carry out its approved program, the Department may impose sanctions as provided for under 49 CFR Part 26 and may, in appropriate cases, refer the matter for enforcement under 18 USC 1001 and the Program Fraud Civil Remedies Act of 1986 (31 USC 3801 et seq.).

ARTICLE 24. CERTIFICATION REGARDING DEBARMENT AND SUSPENSION (applies to subrecipients as well as States)

Instructions for Primary Tier Participant Certification (States)

1. By signing and submitting this proposal, the prospective primary tier participant is providing the certification set out below and agrees to comply with the requirements of 2 CFR parts 180 and 1200.

City of Austin - EMS
General-2020

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective primary tier participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary tier participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default or may pursue suspension or debarment.
4. The prospective primary tier participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary tier participant learns its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms covered transaction, civil judgment, debarment, suspension, ineligible, participant, person, principal, and voluntarily excluded, as used in this clause, are defined in 2 CFR parts 180 and 1200. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.
6. The prospective primary tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR Part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.
7. 8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant is responsible for ensuring that its principals are not suspended, debarred, or otherwise ineligible to participate in covered transactions. To verify the eligibility of its principals, as well as the eligibility of any prospective lower tier participants, each participant may, but is not required to, check the System for Award Management Exclusions website (<https://www.sam.gov/>).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR Part 9, subpart 9.4, suspended, debarred, ineligible, or

voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled "Instructions for Lower Tier Participant Certification" including the "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions and will require lower tier participants to comply with 2 CFR parts 180 and 1200.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR Part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant is responsible for ensuring that its principals are not suspended, debarred, or otherwise ineligible to participate in covered transactions. To verify the eligibility of its principals, as well as the eligibility of any prospective lower tier participants, each participant may, but is not required to, check the System for Award Management Exclusions website (<https://www.sam.gov/>).

8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR Part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension or debarment.

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions:

1. The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

2. Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

ARTICLE 25. CERTIFICATION REGARDING FEDERAL LOBBYING (applies to subrecipients as well as States)

Certification for Contracts, Grants, Loans, and Cooperative Agreements

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation,

renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, subgrants, and contracts under grant, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

ARTICLE 26. CHILD SUPPORT CERTIFICATION

Under Section 231.006, Texas Family Code, the Subgrantee certifies that the individual or business entity named in this agreement is not ineligible to receive the specified grant, loan, or payment and acknowledges that this agreement may be terminated and payment may be withheld if this certification is inaccurate. If the above certification is shown to be false, the Subgrantee is liable to the state for attorney's fees and any other damages provided by law or the agreement. A child support obligor or business entity ineligible to receive payments because of a payment delinquency of more than thirty (30) days remains ineligible until: all arrearages have been paid; the obligor is in compliance with a written repayment agreement or court order as to any existing delinquency; or the court of continuing jurisdiction over the child support order has granted the obligor an exemption from Subsection (a) of Section 231.006, Texas Family Code, as part of a court-supervised effort to improve earnings and child support payments.

ARTICLE 27. FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT REQUIREMENTS

A. Any recipient of funds under this agreement agrees to comply with the Federal Funding Accountability and Transparency Act and implementing regulations at 2 CFR Part 170, including Appendix A. This agreement is subject to the following award terms:

<http://edocket.access.gpo.gov/2010/pdf/2010-22705.pdf> and
<http://edocket.access.gpo.gov/2010/pdf/2010-22706.pdf>.

B. The Subgrantee agrees that it shall:

1. Obtain and provide to the State a System for Award Management (SAM) number (48 CFR subpt. 4.11) if this award provides for more than \$25,000 in Federal funding. The SAM number may be obtained by visiting the SAM web-site at: <https://www.sam.gov>

2. Obtain and provide to the State a Data Universal Numbering System (DUNS) number, a unique nine-character number that allows the Federal government to track the distribution of federal money. The DUNS number may be requested free of charge for all businesses and entities required to do so by visiting the Dun & Bradstreet (D&B) on-line registration website <http://fedgov.dnb.com/webform>;

and

3. Report the total compensation and names of its top five (5) executives to the State if:

- i. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than \$25,000,000; and
- ii. The compensation information is not already available through reporting to the U.S. Securities and Exchange Commission.

ARTICLE 28. SINGLE AUDIT REPORT

A. The parties shall comply with the requirements of the Single Audit Act of 1984, P.L. 98-502, ensuring that the single audit report includes the coverage stipulated in 2 CFR Part 200.

B. If threshold expenditures of \$750,000 or more are met during the Subgrantee's fiscal year, the Subgrantee must submit a Single Audit Report and Management Letter (if applicable) to TxDOT's Audit Office, 125 East 11th Street, Austin, TX 78701 or contact TxDOT's Audit Office at singleaudits@txdot.gov

C. If expenditures are less than \$750,000 during the Subgrantee's fiscal year, the Subgrantee must submit a statement to TxDOT's Audit Office as follows: "We did not meet the \$750,000 expenditure threshold and therefore, are not required to have a single audit performed for FY ____."

D. For each year the project remains open for federal funding expenditures, the Subgrantee will be responsible for filing a report or statement as described above. The required annual filing shall extend throughout the life of the agreement, unless otherwise amended or the project has been formally closed out and no charges have been incurred within the current fiscal year.

ARTICLE 29. BUY AMERICA ACT (applies to subrecipients as well as States)

The State and each subrecipient will comply with the Buy America requirement (23 U.S.C. 313) when purchasing items using Federal funds. Buy America requires a State, or subrecipient, to purchase with Federal funds only steel, iron and manufactured products produced in the United States, unless the Secretary of Transportation determines that such domestically produced items would be inconsistent with the public interest, that such materials are not reasonably available and of a satisfactory quality, or that inclusion of domestic materials will increase the cost of the overall project contract by more than 25 percent. In order to use Federal funds to purchase foreign produced items, the State must submit a waiver request that provides an adequate basis and justification for approval by the Secretary of Transportation.

ARTICLE 30. RESTRICTION ON STATE LOBBYING (applies to subrecipients as well as States)

None of the funds under this program will be used for any activity specifically designed to urge or influence a State or local legislator to favor or oppose the adoption of any specific legislative proposal pending before any State or local legislative body. Such activities include both direct and indirect (e.g., "grassroots") lobbying activities, with one exception. This does not preclude a State official whose salary is supported with NHTSA funds from engaging in direct communications with State or local legislative officials, in accordance with customary State practice, even if such communications urge legislative officials to favor or oppose the adoption of a specific pending legislative proposal.

ARTICLE 31. NONGOVERNMENTAL ENTITY'S PUBLIC INFORMATION (This article applies only to non-profit entities.)

The Subgrantee is required to make any information created or exchanged with the Department pursuant to this Grant Agreement and not otherwise excepted from disclosure under the Texas Public Information Act, available in a format that is accessible by the public at no additional charge to the Department. [SB-1368, 83rd Texas Legislature, Regular Session, Effective 9/1/13]

ARTICLE 32. PROHIBITION ON USING GRANT FUNDS TO CHECK FOR HELMET USAGE
(applies to subrecipients as well as States)

The State and each subrecipient will not use 23 U.S.C. Chapter 4 grant funds for programs to check helmet usage or to create checkpoints that specifically target motorcyclists.

ARTICLE 33. INTERNAL ETHICS AND COMPLIANCE PROGRAM

Subgrantee shall comply with Title 43 Texas Administrative Code §25.906(b). Subgrantee certifies it has adopted an internal ethics and compliance program that satisfies the requirements of Title 43 Texas Administrative Code §10.51 (relating to Internal Ethics and Compliance Program). Subgrantee shall enforce compliance with that program.
